

Abet Laminati North America MEG Warranty (“Limited Warranty”)

- A. **Limited Warranty.** This Limited Warranty applies to any ABET, Inc.’s MEG Panel(s) (each a “Panel”) that is provided by Abet Inc. to the original purchaser of the warranted Panel(s) identified on ABET Inc.’s invoice (“Buyer”).
- a) Subject to the terms and conditions of this Limited Warranty, for installations within the United States, Abet Inc. warrants to the Buyer for a period of ten (10) years from the installation date that the Panel(s) shall conform with the specifications (physical properties reported on the MEG Panel Informative Technical Sheet) in effect at the time the sales contract is executed.
 - b) Subject to the terms and conditions of this Limited Warranty, for installations within the United States, Abet Inc. warrants to the Buyer for a period of ten (10) years from the earlier of: (1) the date the Buyer or Buyer’s agent takes possession of the Panel(s) from Abet Inc.; or (2) the date of delivery of the Panel(s) to the Buyer (bill of lading date), that the Panel(s) shall be free from defects in material and manufacturing workmanship under normal use and service conditions.
 - c) Subject to the terms and conditions of this Limited Warranty, for a period of ten (10) years (from the date of the original purchase (invoice date)), Abet Inc., warrants to the Buyer that Panel(s), in its original manufactured condition, under normal use and service conditions, when used for its intended purpose, correctly fabricated, properly installed, and maintained according to ABET Inc.’s instructions (see MEG Panel Technical Manual), will not spontaneously split, splinter, rot, or delaminate due to defects in materials or manufacture.

The warranties in this Limited Warranty only apply to Panels that have not suffered damage on account of incorrect or careless transport, storage, machining, application, handling, or installation. Abet Inc. shall not be liable for defective sub-constructions or installation, as these are outside its influence and control. The determination of whether any Panel(s) fails to conform to this Limited Warranty shall be made by Abet Inc., in its sole discretion.

- B. **Remedy.** In the event that a Panel or Panels fail to conform to this Limited Warranty, due to a cause directly and solely attributable to Abet Inc. or as otherwise specifically set forth herein, Abet Inc. shall, at its sole option and discretion, either:
- a) supply at no charge replacement products by furnishing new Panel(s) (but expressly not the labor cost, freight, taxes or any other expenses associated with de-installation and reinstallation);
 - b) repair the defective MEG Panels(s); or
 - c) refund the purchase in an amount not to exceed Manufacturer’s cost of material.

The period of the Limited Warranty applicable to a repaired or replaced Panel(s) shall be the remainder of the unexpired period of the limited warranty set forth in Section A above; therefore replacement of [ABET LAMINATI’s MEG] Panel(s) shall not renew the warranty period set forth in Section A above. If Abet Inc. chooses to repair the defective Panel(s), then Abet Inc. must be allowed to make the repair, directly or through a contractor of Abet Inc.’s sole choice. If Abet Inc. chooses to supply new Panel(s), Abet Inc. will supply Panel(s) that matches the color of the Panel(s) originally supplied as closely as possible but is expressly and under no condition obliged to supply an identical color.

- C. **Limited Warranty Conditions.** This Limited Warranty shall be null and void and/or shall be deemed revoked upon any failure to fully adhere to, as determined in the sole and reasonable discretion of Abet Inc., any of the following conditions:
1. the Buyer has paid the price of the Panel(s) in full and has complied with all its (payment) obligations to Abet Inc.;
 2. the Panel(s) shall have been correctly fabricated and installed to meet all applicable building codes and standards;
 3. the transport, storage, processing, application, fabrication, installation and/or maintenance instructions for the Panel(s), specified in the MEG Technical Manual (downloadable from Abet Inc. website) when the Panel(s) were delivered by Abet Inc. to the Buyer or Buyer’s agent, or at the time of delivery of the Panel(s) to the Buyer (bill of lading date), have been fully adhered to;
 4. upon delivery of the Panel(s) to the Buyer, the Buyer shall have promptly inspected the Panel(s) to determine the presence of any patent defects (meaning any defects that are apparent, or should have been apparent, to the Buyer by a visual inspection), and the Buyer shall have notified Abet Inc. of any such defects in writing within thirty (30) days of the date of delivery (bill of lading date) of the Panel(s) to the Buyer, provided that the Panel(s) have been stored according to

the guidelines specified in the MEG Technical Manual (downloadable from Abet Inc. website);

5. the Panel(s) shall not have been modified or altered following delivery of the Panel(s) to the Buyer except as necessary for proper installation meeting all applicable building codes and standards, local laws and regulations as well as all guidelines in the MEG Technical Manual (downloadable from Abet Inc. website);
 6. for claims alleging defects of any Panels, other than those claims set forth in Section C(4) above (claims described in Section C(4) shall be exclusively governed by the timeframes and obligations set forth therein), the Buyer shall have notified Abet Inc. in writing of any Panels alleged to be non-conforming to the specifications (physical properties reported on the MEG Informative Technical Sheet in effect at the time the sales contract is concluded), within thirty (30) days of the date that the Buyer discovered, or reasonably should have discovered, whichever is earlier shall occur;
 7. for purposes of making a claim under this Limited Warranty, the Buyer shall have notified Abet Inc. in writing of any claim, within the time periods provided for in Section C(4) or (6) above, as applicable, and submitted the claim written information (presentation of purchasing and delivery documents, project data sheet, photographs, documentation describing in detail type and size of damage/s and/or defects, etc.) to Abet Inc. accompanied by this Limited Warranty, and with evidence that the Panel(s) were purchased by the Buyer directly from Abet Inc.;
 8. upon ABET Inc.'s receipt of the written notice of a claim pursuant to this Limited Warranty, Abet Inc. shall be afforded reasonable time and opportunity to inspect the allegedly defective Panel(s) and the Buyer shall provide Abet Inc. with access to the Panels in question and any and all information and documentation in the Buyer's possession or control regarding the Panel(s), including information concerning correct fabrication, installation and maintenance in accordance with the terms and conditions herein, the terms and conditions of the sale and delivery agreement, the guidelines in the MEG Technical Manual (downloadable from Abet Inc. website), and all applicable building codes and standards, local laws and regulations; and
 9. upon discovery of a possible alleged damage/defect, the Buyer shall provide protection of all the Panel(s) from any and all situations that may cause damage(s), in addition to the alleged damage(s), to the Panel(s) or worsen the alleged detected defects on the alleged defective Panel(s), until the situation is corrected. ANY TECHNICAL INTERVENTION AIMED AT REPAIR THE ALLEGEDLY PATENTLY DEFECTIVE/DAMAGED PANELS UNDERTAKEN WITHOUT PRIOR WRITTEN AUTHORIZATION FROM ABET INC. WILL EXPRESSLY and WHOLLY VOID THIS LIMITED WARRANTY AND ABET INC. SHALL HAVE NO FURTHER OBLIGATION TO BUYER.
- D. Limitations of Damages; Exclusive Remedy. The remedies set forth in Section B shall be the sole and exclusive remedies hereunder and only then in accordance with the terms and conditions provided for herein. Except to the extent prohibited by applicable law, Abet Inc. shall not be liable for any incidental, special, punitive, or consequential damages or for breach of any other warranty, express or implied. Abet Inc. is not liable for indirect losses or damages, losses or damages incurred by third parties, or losses or damages to the extent covered by any insurance coverage obtained by the Buyer. Removal and reinstallation of Panel(s) repaired or replaced under this Limited Warranty shall be at the Buyer's sole cost and expense which shall include, but in no event be limited to, the following costs: the cost of dismantling a supporting structure, the costs of repairing a supporting structure, the cost of repairing paintwork or materials, and all other similar costs. Under no circumstance shall ABET Inc.'s liability under this Limited Warranty exceed the lesser of the following:
- a) the sum that is equal to the number of square meters of the defective Panel(s) multiplied by the corresponding price (at the time of Buyer's purchase) of the Panel(s) in question noted on the purchase invoice and paid by the Buyer (excluding all other costs, including, without limitation, all taxes, labor cost, freight or any other expenses associated with de-installation and reinstallation);
 - b) the sum of USD 500,000 (five hundred thousand dollars).

All rights and claims that the Buyer has under this Limited Warranty expire as set forth in Section A above.

- E. Exclusions. This Limited Warranty does not cover any defect in any materials or components other than the Panel(s) itself, or damages, in whole or in part, attributed to causes unrelated to the Panel(s) manufacturing process, including, but not limited to:
- incorrect, faulty or improper transport, storage, fabrication, handling, installation, or maintenance by Buyer, Buyer's agents or any third parties;

- any other unexpected event that may cause defects/damages beyond ABET Inc.'s control.

In no event shall Abet Inc. be liable for any incidental, compensatory, indirect, special or consequential damage such as loss of profit, expenses for de-installation and reinstallation, and any and all other costs and damages, whether the claim arises under tort law, strict liability, principles of equity, or contract, except those expressly provided for herein.

- F. **Settlement of Claim.** Any refund, repair or replacement by Abet Inc. shall constitute a full and sole settlement and full release of all claims by the Buyer for any alleged defects/damages or other relief and shall be a complete bar to any litigation filed subsequently to any such refund, repair or replacement.
